

Commencement Parking and Shuttle Information

Parking for the University of Tennessee commencement ceremony will be available in the following areas: G-10 (enter from Neyland Drive), C-17, C-18 and C-3. Overflow parking is available in any lot marked commuter or non-commuter, as well as the 11th Street Garage. Shuttle service will be available from several areas. Disabled parking for Thompson-Boling Assembly Center and Arena is located in the Neyland Drive Garage (G-10). Shuttle information is listed below.

Shuttle Route A: For Ceremonies at Thompson-Boling

On the Agriculture campus, complimentary parking with shuttle service will be available to the University Commencement Ceremony, College of Arts and Sciences Ceremony and the College of Business Administration Ceremony located at Thompson-Boling Assembly Center and Arena. This shuttle route will operate from 7 a.m. to 5:30 p.m., every five minutes. Passengers will board on Joe Johnson Drive and de-board at Thompson-Boling Assembly Center and Arena. For return to the Agriculture Campus, board from the north side of Phillip Fulmer Way.

Shuttle Route B: Ceremonies at the Knoxville Convention Center

Parking and shuttle service will be available for the College of Agricultural Sciences and Natural Resources, College of Engineering, College of Communication and Information and the College of Education, Health and Human Sciences ceremonies.

Complimentary parking will be available in the 11th Street Garage and is within walking distance of the Knoxville Convention Center. Additional parking will be available in the Locust Street Garage and Poplar Street parking area.

This shuttle route will operate from 7 a.m. to 5:30 p.m., every six to eight minutes and will transport riders between Thompson-Boling and the Knoxville Convention Center. The shuttle will stop at the 11th Street Garage for pick-up.
